

Truth and Way Ministries University
Church History I

This is a broad perspective of the developing institutions of the Christian Church, demonstrating both God's power and man's rush toward sin apart from him. The student will gain an appreciation for the early development of Christian thought, the continual need for watchfulness, and our profound debt to those who fought to Preserve the true faith of the Gospel through the dark and Middle Ages.

Required Text: *A Glorious Institution: The Church in History* by Stanford E. Murrell

Step One: Send email to Pastor Tim and notify him of your intent to take this course. Let him know which course and why you desire to do so. Introduce yourself and tell him about yourself.

Step Two: Open each lesson, in order, following all instructions therein.

Step Three: Answer all questions and return to Pastor Tim via email.

Email Pastor Tim
