The Pilgrim's Progress
By John Bunyan (1678)

“This Christian classic has proven itself to be packed with biblical insight for each generation for centuries. As an allegory its people, things, and events all have symbolic meaning. Continuously in print since the 17th century it is the most popular printed book other than the Bible. The story follows the main character, Christian from his awakening, through regeneration, doubts, fears, trials, to final victory in the City of God. A great look at our own journeys.”

Required Text: *The Pilgrim's Progress (condensed)* by John Bunyan

Step One: Send email to Pastor Tim and notify him of your intent to take this course. Let him know which course and why you desire to do so. Introduce yourself and tell him about yourself.

Step Two: Open each lesson, in order, following all instructions therein.

Step Three: Answer all questions and return to Pastor Tim via email.

Email Pastor Tim

Assigned Texts

Part One

Ch. 1-10

Part Two

Ch. 11-20

LESSON ONE

LESSON SIX

LESSON TWO

LESSON SEVEN

LESSON THREE

LESSON EIGHT

LESSON FOUR
